SKILLS

- ❖ **Programming & Fundamentals:** JavaScript, TypeScript, Core Java, C, C#, OOPs, DSA
- ❖ **Frontend:** React.js, Next.js, React Native, HTML5, CSS3, Tailwind CSS
- ❖ **Backend:** Node.js, Express.js, Strapi CMS, REST APIs, Authentication (JWT, OTP)
- ❖ **Databases:** PostgreSQL, SQL, Firestore, MongoDB, Prisma ORM
- ❖ **Cloud & DevOps:** GCP (Cloud Run, VMs, Cloud Build), Docker, CI/CD, Deployments
- ❖ **Other:** System Design (HLD/LLD), Firebase (Push Notifications), LLM Integrations, n8n

EXPERIENCE

Software Developer (Full-Stack Engineer)

Bullit (bullit.in) | Feb 2025 – Present

- Delivered **10+ end-to-end production features**, reducing external dependencies and accelerating release timelines by ~40%.
- Led **HLD/LLD, API design, and database schema design** for scalable and secure fintech apps.
- Built scalable backend services using **Node.js, Express, PostgreSQL, Firestore & Prisma ORM**.
- Implemented **OTP-based JWT authentication, API key management**, and Push Notifications.
- Reduced manual operational effort by ~50% through **document management systems**.
- Designed **Credit BRE & Lending Systems** (Loan Processing and Lending Product Management with LLM-based document data extraction), reducing rule and product update turnaround from days to minutes.
- Managed **GCP deployments (Cloud Run, VMs, Docker)**, cutting deployment and rollback time from hours to minutes.
- Integrated **third-party APIs (PAN, GST, Udyam)**, LLM-based automation, and **n8n workflows**.

PROJECTS

- ❖ **TribeSphere: A Social Networking Platform**
This is a social networking platform which connects users based on their hobbies, interests and goals, built using React.js, Node.js, Express.js, EJS and PostgreSQL. [Project Link](#)
- ❖ **Task Manager Web Application**
This is a user friendly task management platform to enhance productivity, built using HTML 5, CSS 3, Javascript, Bootstrap, Node.js, Express.js, EJS and PostgreSQL. [Project Link](#)
- ❖ **Online Quiz Website**
This is an online quiz website which provides quizzes on technical subjects, built using HTML 5, CSS 3, Javascript and Bootstrap. [Project Link](#)

EDUCATION

- ❖ Master of Computer Application | Dr. A. P. J. Abdul Kalam Technical University, Lucknow
8.6 CGPA | (July 2022 - Aug 2024)
- ❖ Bachelor of Science (Mathematics) | Veer Bahadur Singh Purvanchal University, Jaunpur
71.55% | (July 2019 - June 2022)

STRENGTHS & HOBBIES

- Problem Solving • System Thinking • Ownership • Collaboration • Communication
- Playing Cricket • Listening Music
